Literary Criticism: An Introduction | Perspectives ...

As Jonathan Culler explains in *Literary Theory: A Very Short Introduction*, the Russian Formalists of the early years of the twentieth century stressed that critics should concern themselves with the literariness of literature, the verbal strategies that contribute to the form of a literary text, and the emphasis on language that literature itself invites (122). Roman Jakobson, Boris Eichenbaum, and Viktor Shklovsky oriented literary studies toward questions of form and technique.
