### **How the World Works - The Atlantic**

Noam Chomsky's How the World Works (HWW) has an awfully high-falutin' title, but it seems to be quite accurate in describing the content. HWW is actually a collection of four abridged books, some of which are interviews with Chomsky, others of which are books that had been written by Chomsky. If there's one basic theme for the book, it is this truism: that governments and large businesses operate in their own interests and not in the interests of the people they are supposed to serve.
