In addition to U-Boat emblems, each graduating class from U-Boat academy also chose an emblem. The crew of 1936 chose the Olympic Rings, in reference to the 1936 Olympic Games in Munich. An upright dagger through a wedding ring was chosen for the crew of 1937, and was characterized as "First win, then marry!". Even U-boat flotillas had emblems.

The Most Popular Emblems - German U-boat Emblems of WWII ...

U-boat is an anglicised version of the German word U-Boot (), a shortening of Unterseeboot. While the German term refers to any submarine, the English one (in common with several other languages) refers specifically to military submarines operated by Germany, particularly in the First and Second World Wars. Although at times they were efficient fleet weapons against enemy naval warships, they ...

For years enthusiasts bemoaned the absence of a specialized publication about German submarines in the Second World War, and in 2007 our publishing company began such a series, titled U-Boot im Focus. With the support of archives, private collectors and well-known experts in the field, the series is issued three times per year. Most of the photos that illustrate each edition have never before ...
