### V Games: Fresh From The Grave | Review

Darker, grittier and even more unforgiving than its prequel, Fresh From the Grave took the reader on an unforgettable dark and thrilling journey. Not content to merely survive her second round of the V Games, a defiant Selena is determined to bring down the Helsings and their sponsors once and for all.

### V Games Fresh From The

V Games: Fresh from the Grave is definitely a bloody thriller of a sequel and I can't wait to read the last book in the V Games trilogy (although there are more books that will dive into the lives of other characters that will continue the series).

Sooo, V Games: Fresh from the Grave, starts off exactly where the first book ended. Selena escaped Raskdød, she's currently in the middle of the North Sea on a yacht, with no fuel, no food or water and only static when she tries to call the coastguard. If someone doesn't rescue her she'll probably die.
